

Pictures On Gold Announces Hottest Wedding Picture Contest

08/30/2007

The established website specializing in custom laser engraving on high quality gold and silver jewelry is holding its first ever Hottest Wedding Picture Contest.

(PRWEB) August 30, 2007 -- Dust off those wedding pictures and get them ready to show the world: PicturesOnGold.com (www.PicturesOnGold.com) is having a contest. The established website specializing in custom laser engraving on high quality gold and silver jewelry is holding its first ever Hottest Wedding Picture Contest.

PicturesOnGold.com will be giving away 3 prizes in their newest contest, with an estimated combined value of over \$1,000 to the top 3 people with the most popular wedding photos.

The contest is free to enter on PictureOnGold.com's website, and is based on the viewer's votes. Each visitor to the site can vote once per day on the photo they think is the hottest wedding picture of them all.

PicturesOnGold.com will be offering three prizes to the three wedding pictures that get the most votes. First place wins a 14k gold with diamonds laser engraved locket with their picture of choice engraved for free. The runner up will receive a sterling silver and diamonds locket with their picture of choice laser engraved for free. The third place finisher will receive a heart shaped pendent with diamond cut edges and their picture of choice laser engraved on it for life.

Visitors can submit new or old wedding pictures, the bride and groom can be young or old, this competition is open to anybody with a wedding picture that is interested in winning fabulous prizes.

Those lucky enough to earn the title of hottest wedding picture owner will not only get a high quality piece of jewelry, they will receive the one of a kind waterproof technology that only PicturesOnGold.com could offer them.

Both lockets, and the heart shaped pendent will come with fully waterproof laser engraving of the winner's picture of choice, this is the only website that offers waterproof lockets on the internet.

The PicturesOnGold.com website will be the host of the contest for three and a half weeks, starting today and ending on September 27th 2007.

PicturesOnGold.com is one of the largest retailers of laser engraved jewelry on the internet. The site is known for its monthly user submitted contests. In the past the site has given away laser engraved jewelry for the cutest kid and the cutest pet. This is PicturesOnGold.com's first ever Hottest Wedding Photo Contest.
